From the report of the Mll President Sira, it is seen that neither an agreement is obtained from the contractor for the fulfilment of the contract during the year 1940-41 nor the sureties have been taken as per standing orders & he admits that it is certainly an omission on the Part of the mlf

Further it is reported that the remission claimed ~~for the forward~~ relates to the period of 2 months + 18 days during which the shandy was stopped owing to the prevalence of Plague

The amount of remission recommended by the mlf & the Dy Comm is Rs 1523-2-4.

Subject. Remission of Toll Whist in Sura Town mfsl. due from one Mr. Chowdn Rahuman Sab

10 The right of Collecting tolls in the Sura Town mfsl was leased out to one Mr Chowdn Rahuman Sab during the year 1940-41 for Rs 7030/-

7032
586 11 Two months' deposit of Rs 1172 was taken from the contractor & credited to mfsl funds. The toll Whist instalments for July & Aug 1940 were also realised from the Contractor owing to the Prevalence of Plague & the consequent evacuation of the town the Shandy could not be held from 19-11-40 to 13-1-41 i.e. 2 months & 18 days.

12 The Contractor made a representation that some concession should be shown to him as he sustained heavy loss on this account The Contractor was asked to produce the accounts with a view to see the exact extent of the loss he has sustained but he reported that he collected only Rs 132-10-6 from 24-9-40 to 19-11-40 & that all

the receipt books & other records were destroyed As the Particulars furnished by the Contractor were not satisfactory the D C directed the Postmaster to issue a notice to the effect that unless he furnishes proper & satisfactory accounts, the question of showing Concession would not be considered -

13 Thereupon the matter after due consideration resolved to remit Rs 1523-4-2 being the proportionate amount due from the Contractor for the period during which the hoarding of the stamps was prohibited

14) The Dy Comm recommends the remission

30/11 15 The above note is for perusal.

It is indeed unfortunate that such a heavy amount of Rs 1523/9/2 should be remitted This is the 7th Khist due by the Contractor for 2 months 7 days during which period plague was started to be prevailing in the Town

16 The standing orders have not been observed in this case Agreement is not taken from the contractor for the fulfilment of the contract neither when

Re Remission of Rs 1523-2-4 being the toll khist due from the Contractor Chowdri Rahiman Sab in Sira Town Municipality

===

In forwarding herewith in original the connected records received from the President, Town Municipal Council, Sira on the above subject, I have the honor to state as follows -

The President states that prior to 13-1-1941, the right of collecting tolls in this Town Municipality was being leased out During the year 1940-41, the right of collecting tolls was leased out to one Chowdri Rahiman Sab for Rs 7030/- Two months deposit of Rs 1172/- was taken in advance and credited to Municipal funds on 24-6-40 The toll khist instalments for the months of July and August 1940 were also realised from the contractor

In the meanwhile the contractor presented a petition to the Municipal Council, stating that he had sustained a loss as the shandy could not meet regularly from the 15th September 1940 to the 14th January 1941 on account of the prevalence of plague and the consequent evacuation of the town for nearly five months and that some concession by way of remitting the toll khist might be shown

The petition of the contractor was considered by the Municipal Council at their meeting held on 19-1-1941 and it was resolved that since the contractor had sustained a loss on account of the epidemic, the ~~totakk~~ tu khist amounting to Rs 1523-2-4 for 2 months and 18 days be remitted. The toll gates are being worked departmentally from 19th January 1941

The connected records were returned to the President, for intimating the actual amount realised by the contractor during the period for which the remission was now claimed It is stated that a

a sum of Rs 1[illegible]2-10-6 was collected by the contractor from 24-9-1940 to 19-11-40 and that the contractor has destroyed all the receipt books and other accounts since the working of the toll gates are being worked amani

As the particulars furnished were not satisfactory the President was again requested to issue another notice to the contractor that unless he furnished proper and satisfactory accounts, the question of remission will not be considered

The President now states that the Council have at their meeting held on 6-6-1945 considered all the aspects of the case after much discussion and have up-held their previous resolution dated 19-1-1941 The amount that is recommended for remission is stated to be reasonable as per rules and relates to the period of 2 months and 18 days from 19-11-40 to 13-1-1941

In the circumstances stated, I request that sanction of Government may be kindly obtained to the resolution of the Council for remitting a sum of Rs 1523-2-4 being the toll khist due from the contractor, as he had sustained a loss on account of the plague during that period

I have the honor to be,
sir,
Your most obedient servant,

Deputy Commissioner,
